Thanks Grant.

We will review and I will have Leslie Owyang-Chin or Fe Weber work with Bonnie to set up a call with us with you and the DTSC team. As Bonnie already noted, Christina is out next week. I hope we can have a sufficient quorum for a call next week.

Take care and Happy New year to all!!!

Hey Enrique,

Hope that you're able to find some time to enjoy the holidays.

Following up on our recent conversation, I wanted to ask if you and some of your staff might have time to talk about the attached document. It's very similar to one that we spoke with y'all about a while back, but we wanted to make sure to get your perspective on the current construction before moving forward.

I've cc'd Bonnie who can help work with whoever you'd like to set something up.

Thanks,

Grant
